If claim is not made within this period, no lots are returnable for any reason at any time. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$100.00. In the event an item is proved "not as described" it is returnable for a full refund. ## EXPANDED DESCRIPTIONS

If you desire more information about any lot our staff would be happy to provide additional details & scans—as much as practical; just call (or write) at least 10 days or more before the sale.

## NOTES

(1) Minor separations in multiples and sheets are to be expected in older issues; a few open parts do not adversely affect value and do not constitute reason for return.

(2) Gum line and lt. gum creases are normal characteristics of U.S. flat plate issues; these will be described only when unusually pronounced.
