CONDITIONS OF SALE

Bidding

1. The placing of a bid will constitute acceptance of the conditions of sale.
2. All bids are per lot as numbered in the catalog. The right is reserved to withdraw any lot or lots and to group two or more lots.
3. Lots are sold to the highest bidder at one advance over the second highest bid. The auctioneer shall regulate the bidding and in the event of any dispute the auctioneer's decision shall be final.
4. The auctioneer shall not be liable for errors and omissions in executing instructions to bid.
5. Unlimited bids and bids believed not to be made in good faith will be respectfully declined.
6. Minimum bid on any lot is \$50.00.
7. All lots will be sold at the price for which they are knocked down by the auctioneer, plus a commission of 15%.

Payment of Purchases

8. Successful bidders will be notified of lots purchased and must remit before lots are delivered. Persons who are known to us may, at our option, have purchases forwarded for immediate payment.
9. Terms are immediate payment in U.S. funds on receipt of the invoice. Payment by credit card will be subject to a 2% service charge.
10. The mode of shipment shall be at our option unless we are given specific instructions. A minimum charge of \$1.50 will be made in addition to postage, insurance, and handling.
11. Successful bidders agree to pay for lots as specified above and no credit is extended. For overdue accounts a late charge of 5% per month (minimum \$30.00) will be charged. Accounts are considered overdue after (30) days.

Quality

12. Any lot, the description of which is incorrect, is returnable within ten (10) days of receipt and must be received within four weeks from the date of the auction. All disputed lots must be returned intact in the condition received. The following lots may not be returned without prior approval: lots from buyers who have had the opportunity to examine them before the sale; lots described as having defects or faults may not be returned because of faults; and, lots in which the buyer has bid more than double our estimate. No illustrated lot may be returned because of centering, margins, or other factors shown in the illustrations.

Authenticity

13. All lots are sold as genuine, but should any lot be proved otherwise by written opinion of any responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided we are notified in writing within 14 days from date of sale that an opinion is being sought. If claim is not made within this period, no lots are returnable for any reason at any time. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$100.00. In the event an item is proved "not as described" it is returnable for a full refund. Any lot which has a certificate dated within the last five years is sold in accordance with the certificate and is not returnable for any reason including an opinion obtained in a new certificate after the sale. While we occasionally suggest what grade a coin may receive if certified, we do guarantee that grade (or any other grade) if a coin is submitted for certification.

Large Cents				
3	1794 Liberty Cap "Head of '94" S-54 F+ detail net VG. Beautiful lighter brown planchet nicely highlighted. A slight bit of peripheral weakness on the rev K1 to K3 but overall a lovely Liberty Cap cent.	EST P	400-650	SE
4	1812 Classic Head Small Date S-290 VF by wear on rather rough surfaces but plenty of detail and still attractive.	EST P	210-250	SE

Indian Cents				
6	1859 XF or very nearly so. First official year of issue for the Indian Cent and the only coin bearing the laurel-wreath reverse, so its a one-year type coin. (A transitional pattern 1859 cent exists with the shield and oak wreath rev but they are quite scarce. Its interesting to ponder how many of the transitional patterns have been overlooked by collectors because the reverses of 1859 cents are rarely checked.)	EST P	75-100	SE
7	1862 MS63+ well-struck w/ lovely color & surfaces.	EST P	260-350	SE
8	1889 PCGS MS63 Red-Brown	EST P	80-110	BAG

Bust Quarters				
54	1818 Browning-6 XF+ by wear, there is a 6mm area on the obv w/ what can only be called environmental damage, but it does not ruin the coin. B-6 has the three prominent rev die cracks, and they are plainly seen on this coin indicating a late die state. A scarce variety of 1818, with Bowers estimating that only 100 to 150 survive.	EST P	300-400	SE
Barber Quarters				
55	(71) in a practically-complete set 1892 // 1916-D most grade AG/G+ and are originals. Housed in (5) folder pages. 60	(91) Coins in (2) Sets, one 1965 // 1998 complete Unc P&D & Proof issues, plus a second set of just P-Mint Uncs 1964 // 1998. Both in handsome cherrywood display cases.	EST	125-150	OVERSIZE
61	(82) Diff 1932 // 1964-D in a virtually complete set missing only 1932-D. Most avg circ housed in a Whit 9418 album.	EST	380-450	A
Bust Halves				
62	1829 Small Letters O-104a (R4) beautiful original dark grey. In this scarce sub-variety, both A's in the rev legend are filled at the top.	EST P	100-125	SE
63	1830 O-104 (R3) VF+ brightened.	EST P	90-115	SE
64	1831 O-108 VF+ brightened.	EST	90-115	SE

66	1833 O-105 XF+ brightened	EST P	150-180	SE
67	1835 O-103 XF brightened.	EST P	100-125	SE
68	1837 Reeded Edge XF beautiful original dark grey. Small rev rim tap at K8.	EST P	150-180	SE
Seated Halves				
69	1840 "O" Medium Letters (Rev of '38) G+. A beautifully original coin despite the low grade. This is the issue that was struck at the New Orleans Mint but does not bear the "O" mintmark. A reverse die left over from the striking of the 1838-O Reeded Edge half dollars (where the mintmark was on the obverse) was used in production. Bowers has noted that they are "very scarce."	EST P	200-250	SE
70	1842 Large Date XF. A beautiful coin, but darker surfaces than what is typically encountered.	EST P	150-200	SE
71	1844-O Doubled Date G+ w/ a few surface abrasions mostly on the rev. Date doubling shows clearly and the coin is acceptable for this scarce variety.	EST P	400-500	SE
72	1845-O No Drapery VG original. On this obverse, the drapery lines off Liberty's elbow are missing.	EST P	100-125	SE
73	1850 AG. Well worn but the 1850 Liberty Seated Half is a rare coin and seldom offered.	EST P	140-200	SE
74	1852-O G+ by wear but the coin has an unnatural "shine" and there is a 1½mm gouge in Liberty's cap. 1852-O is a very scarce date in the Liberty Seated series.	EST P	190-240	SE
75	1858 ANACS XF45 Details - Cleaned. Brightened, but the cleaning is not harsh.	EST P	100-125	BAG
76	1859-O XF+ detail, brightened.	EST P	120-145	SE
77	1864 VF lightly cleaned still original in appearance.	EST P	180-230	SE
78	1865-S VF+ detail lightly cleaned.	EST P	180-230	SE
79	1866-S w/ Motto ANACS VF20 Details - Motto Re-Engraved, Tooled, Cleaned. ANACS took serious issue with this coin, but it is still aesthetically pleasing. There is some evidence of re-engraving, but the detail is closer to XF40 than VF20. You be the judge!	EST P	150-180	BAG
80	1876 VF+ brightened w/ a few obv scratches.	EST P	70-95	SE
Barber Halves				
81	1896-S Fine even light grey. A nice specimen for one of the scarcest Barber Halves.	EST P	200-250	SE
82	1913 VG w/ 3½ letters of LIBERTY showing, a bit unnatural in color, still ok.	EST P	66-80	SE
83	1915 VG original w/ a few minor rim hits.	EST P	66-80	SE
84	(23) Diff 1892 // 1903-S avg circ AG/G+ housed in a LOC Vol 17 album.	EST	220-260	A
85	(57) Diff 1892 // 1915-S in a partial set (Dansco 7150 album), most AG to G+ commons but does incl a 1913-P (G). Worth inspection.	EST	700-850	A
Walking Liberty Halves				
86	1938-D appears AU+ but it has been brightened. Still ok, as there are no visible hairlines. A scarce coin in this state of preservation.	EST P	210-270	SE
87	1934-P, -D, & -S all nice AU or so by wear, but brightened.	EST	200-250	SE
88	1935-P, -D, & -S all nice AU or so by wear, but brightened.	EST	185-230	SE
89	(3) incl 1934 lovely AU58, 1936-S XF/AU & 1937 AU cleaned.	EST	85-110	SE
90	1943 & 1945 both MS63+ white. The 43 is a fully-struck coin that may very well grade MS65 if submitted; the 45 is closer to MS64. Both very nice coins great for type.	EST	130-160	SE
91	(50) Diff 1917 // 1947-D in a partial set in (2) Whit folders 9021 & 9027 missing the keys and a few others, but there is a 1938-D VF (lightly polished). Earlies AG to G+, laters better.	EST	500-650	BAG

Miscellaneous

325	Accumulation abt (27) pounds of WW coins in large baggies, these coins have been through some environmental damage so expect some various metal discoloration, humidity effects but not much outright corrosion; you'll find some dust at the bottom of the bag; many of the coins appear to have been UNC or BU but unfortunately were stored in the wrong place at the wrong time; some clean up rather easily, others might be a challenge for someone and their chemistry set; noted a few US coins sprinkled in; did notice copper coins but likely no silver, mostly 20th Cent, a few in 2x2s which are also damaged; A fun winter project!
